

The Legend Hunters film project

WHAT: Follow a group of young adults as they explore Minnesota's public lands and discover the fascinating hidden histories of these special places.

WHY: The film will be accompanied by curriculum for MN middle school teachers and youth-serving organizations to introduce teens to the outdoors.

WHO: Student artists and actors are needed to assist with historical reenactments and Anime sketch videos to make the history of these public lands come alive. Participants will each receive a \$200 stipend for their help. Students of color are highly encouraged to participate!

WHEN: This project will begin filming fall 2020 and be available for viewing summer 2021.
