

PGO Leader Certification Training Evaluation

1. Because of this training, I have a better understanding of why children need to experience nature.

Strongly Agree Somewhat agree Agree Disagree

2. I feel confident that I can transfer the various learning development theories covered in this training to working with youth in an outdoor setting.

Strongly Agree Somewhat agree Agree Disagree

3. If asked, I could describe several ways that nature experiences impact child development and learning.

Strongly Agree Somewhat agree Agree Disagree

4. I have gained access to new resources that will help me develop welcoming and accessible outdoor activities for all youth.

Strongly Agree Somewhat agree Agree Disagree

5. My understanding of the impacts of race and class inequality and access to nature has increased through this training.

Strongly Agree Somewhat agree Agree Disagree

6. The scenarios we practiced helped me build confidence that I can lead engaging outdoor activities for youth at my site.

Strongly Agree Somewhat agree Agree Disagree

7. I have discovered new and innovative resources that will help me plan programs and activities at my site.

Strongly Agree Somewhat agree Agree Disagree

8. I feel more prepared to address potential behavior concerns and issues.

Strongly Agree Somewhat agree Agree Disagree

9. I am more aware of potential safety concerns that may arise while working outdoors with youth and I have begun to think about safety related questions I want to investigate at my site.

Strongly Agree Somewhat agree Agree Disagree

10. I have a better understanding of asset mapping and why it is important for building successful and sustainable community-based programs.

Strongly Agree Somewhat agree Agree Disagree

11. I am more aware of programs and resources that Project GO can provide to me and to my organization to support our work of connecting kids to nature.

Strongly Agree Somewhat agree Agree Disagree

12. Overall, how would you rate this training?

Excellent Very good Good Okay

13. Other feedback or comments: How can we better adapt this training for college students?
